

Double your Donation to AV Athletic Boosters with Employer Matching!

Many companies match employees' donations to nonprofit organizations. Below, we have listed some companies that offer matching their employees' gifts. Please contact the human resources administrator at your company to initiate a matching gift. You will need a copy of your receipt from Future Fund demonstrating that you have made a donation. If you have misplaced your receipt, please contact Laurie Whiteland, Treasurer, to get a duplicate copy. avathelticboosters@gmail.com.
